Weather Cancellations

The Bradford Ski Area has the ability to make its own snow; however, if conditions are questionable, parents are advised to call the DCS Info Line at 978-623-8279 after 12 noon for a decision. Decisions regarding cancellation due to inclement weather or lack of snow will be made by Bradford Hill and DCS; sessions will be made up at the end. Schools will be notified when skiing is canceled. DCS will not call homes. DCS programs are not held when schools are closed.

Lessons

All beginners are required to take lessons. If your child is a novice, intermediate, or advanced, you may choose not to enroll your child in lessons. To help prevent injury, please be aware of your child's skill level. If the ski instructor feels your child's ability is higher or lower than his/her class, the instructor will change your child's lesson accordingly. All instructors are experienced and certified. Once enrolled in a level, children will remain in it until the instructor determines otherwise.
